## OVERVIEW

As a certified aircraft parts supplier, VSE Aviation (formerly GlobalParts) focuses on two things: aircraft parts and the people who need them. We carry over 120,000 part numbers in stock to support your Business & General Aviation needs, including everything from hard-to-find parts to out of production airplanes.

VSE Aviation is the exclusive supplier of Lear 20, 30 and 50 series factory spares.

Whether you are in need of airframe parts, rotables or consumables, VSE has your solution.

### VSE AVIATION IS AN OEM AUTHORIZED DISTRIBUTOR FOR THE FOLLOWING:
